Dolors Riera / Alella

Alella / Maresme

€3,650,000

This house doesn’t need much description. With over 800m², the sea views, terraces, and that wonderful garden… I just want to lie on the grass, soak up the sun, and listen to the birds in the background. It’s a home to get lost in. Honestly, I wouldn’t want to leave.

This house is located on a 1,056m² plot. It has 836m² and is divided into four floors. In the basement, which is 274m², there is a storage room, a multipurpose room, a guest toilet, a service bedroom with a full bathroom, a laundry room, and a parking area for six cars. On the main floor, which is 217m², there is a spacious entrance hall, a full bathroom, a living room with a fireplace and access to the garden, a dining room, an independent kitchen, a large terrace with views, and a private pool. On the first floor, which is 211m², there are five double bedrooms (two en suite), a walk-in closet, a full bathroom, a terrace with views, and a storage room. Finally, in the attic, which is 133m², there is a living room with a terrace and sea views, an en-suite bedroom with access to the terrace, and a storage room. The house features air conditioning, gas heating with radiators, double-glazed Climalit windows, built-in wardrobes, and a communal pool shared with six neighbors. The property was built in 1998.
