Over 450 m² in this office located in the Eixample. I love these large spaces; it feels like a privilege to work in a place like this that lets you move around and have your own spot, your own space.

This 453 m² office is situated on the third floor. It features a large open-plan work area and three independent rooms, along with city views. There are six shared restrooms and a dedicated computer room. The office is equipped with double-glazed Climalit windows and hot/cold air conditioning. The building, constructed in 1960, includes an elevator, an emergency exit, and concierge service.
