Barcelona / Barcelona ciudad

€350,000

I love the analogy we've made with this apartment. We see it as a language with three different dialects. Each space has its own charm, yet they understand and connect perfectly with one another. Together, they form this penthouse, complete with the spectacular terrace and those special little touches.

This attic (sixth floor) has 85m² of usable space (55m² of apartment and 65m² of terrace). It includes one bedroom (with the option for a second double bedroom), a living-dining room, an open kitchen, and a bathroom. It has double-glazed windows, double insulation on the ceiling and walls, and a ducted heating and cooling system. The building does not have an elevator and was built in 1910.

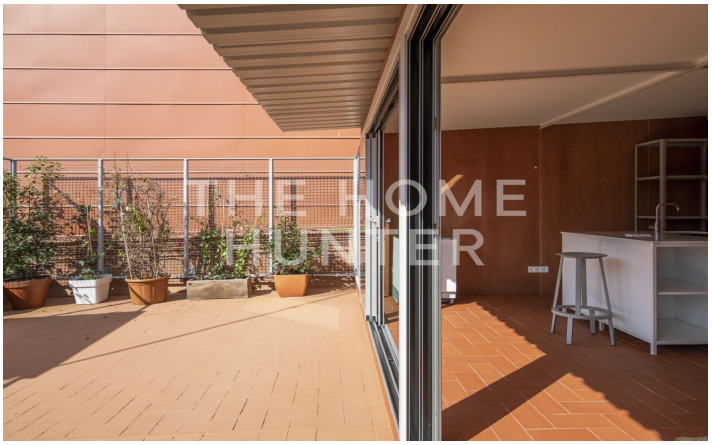

You'll love it!
