

EVARIST ARNUS / LES CORTS

Barcelona / Barcelona ciudad

€1,750

If your goal is to be seen and known, this space is for you... versatile, bright, and full of presence.

With endless possibilities, in this space I could create anything from my own restaurant to a super cute office to work in every day. Isn't it amazing?

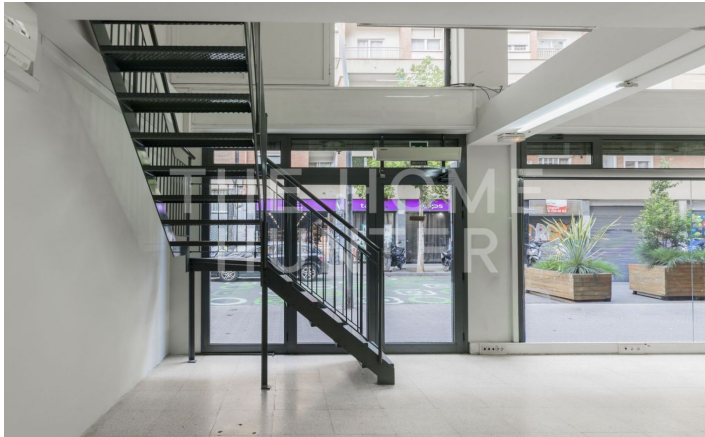

With 95 m² distributed over two floors (58 m² on the ground floor and 37 m² on the mezzanine), this space stands out for its large windows with automated blinds that flood every corner with light.

The ground floor (completely open-plan) is perfect for designing whatever space you imagine: office, shop, studio, creative workspace... On the upper floor, a glass-enclosed mezzanine with two separate areas gives you the ideal privacy to create offices or meeting rooms.

It also includes two restrooms, space for a communications rack, hot/cold air conditioning, and an extraction system... yes, it has it all!

The building dates from 1996, and both community fees and property tax (IBI) are covered by the owner.
