Barcelona / Barcelona ciudad

€598,000

Today we bring you a little treat. A flat that we know well. It was renovated by @somosnido almost 5 years ago (time passes quickly). It has a lot of light and what can I tell you, it's cute. It has space, color and a small 6m² balcony, which with a couple of chairs and a table is the perfect setting for making a morning coffee. I'm sure you'll like it as much as we do.

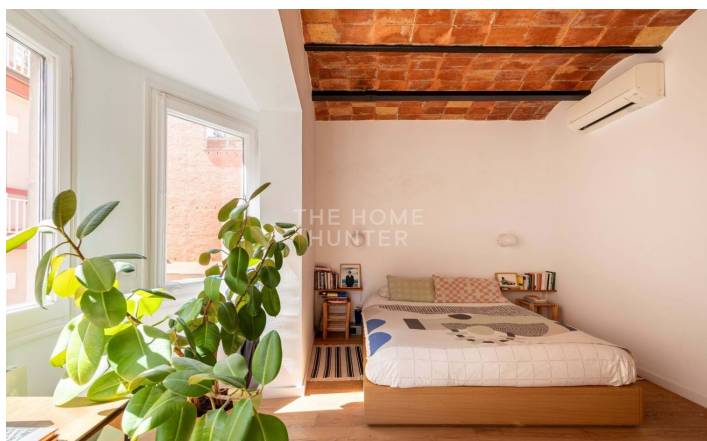

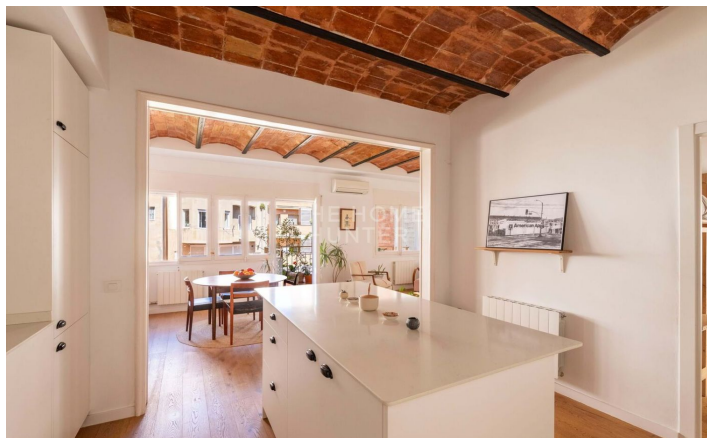

This apartment is a renovated second floor with very good qualities. It has 105m² divided into 102m² apartment and 6m² balcony. It has three bedrooms (two doubles), two full bathrooms, an open and equipped kitchen and a living-dining room. It has built-in wardrobes, as well as gas heating by radiators and hot/cold air conditioning. The building dates back to 1953 and does not have an elevator. There is a parking space included in the price.

You will love it!
