El Camp d'En Grassot i Gràcia Nova /
Barcelona

€145,000

When I see renders, I always think of the phrase "leaving you wanting more" — that moment when you crave to see more but can't. Still, it's lovely to catch a small glimpse. Here's a sneak peek at this studio in Gràcia, a cozy space to enjoy the city.

This street-level studio has 27m² of built space. It does not have a certificate of occupancy and is currently undergoing renovations, expected to finish by mid-February. It's an open-plan space for now, but after the renovation, it will feature one bedroom, a bathroom, a living-dining area, an open kitchen, and façade ventilation. It will also include pre-installed air conditioning (hot/cold), washing machine connections, and installations for a ceramic hob, oven, and charcoal-filter extractor hood. The building dates back to 1970.

You'll love it!
