El Putxet i el Farró / Barcelona

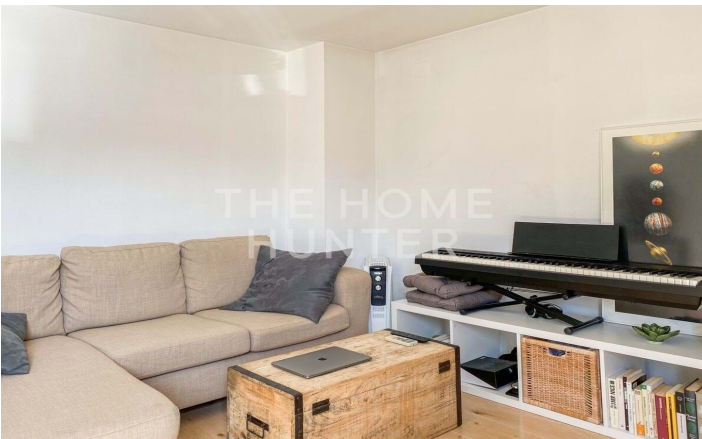

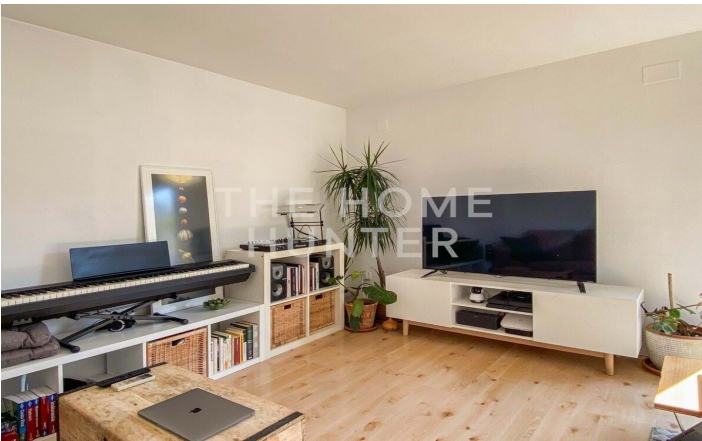

€1,800

Lately I have the sun on my side, I went to visit the apartment and the day cleared and I was happy, happy to see this little terrace full of life and light. And now the terraces have come into much more life, especially after these last few years. But that's something I love, being able to go to apartments and know that the walls are overflowing with happiness and that they are waiting for a new tenant to fill the apartment with warmth and unforgettable anecdotes.

It is a 36m² penthouse studio with lots of light and divided into 2 floors. On the ground floor is the living room, the terrace (about 8m² and as I said before, with lots of sun) and the kitchen, which is independent and equipped. At the top is the bedroom and the bathroom. The truth is that the apartment is cute and is in an unbeatable area. The apartment is rented semi-furnished and is now available. Ah! And it has a parking space included in the price. Now available.

You will love it!
