La Dreta de l'Eixample / Barcelona

€450,000

I'm drawn to different things: a weird pattern, a colorful mug, an apartment with personality... And this one is a great example of that: the terrace full of flowers, the fun art, the striped fridge and all that space to fill it with much more creativity.

This apartment is a main one of 121m² shared (116m² of floor and 10m² of terrace). It has a double bedroom, a dressing room, a full bathroom, a large living-dining room with a patio, an open kitchen and a laundry room. It has double glazed windows, gas heating by radiators. The building, from 1989, has an elevator.

You'll love it!

About La Dreta de l'Eixample

La Dreta de l'Eixample is one of the **most central areas of the city**, considered by many as the **heart of Barcelona**, with a large collection of modernist buildings. A highly sought-after area with exclusive penthouses and fabulous apartments in stately buildings. Many of the **Eixample** buildings are the work of modernist architects and retain fantastic original elements; high ceilings, mosaic tiled floors, corniced ceilings, and lots of natural light. **Avenida Diagonal, Paseo de Gracia, and Rambla Catalunya** are its select international boutiques, prestigious offices, and some of the best restaurants in Barcelona, completing the offer of this district, which is excellently connected by public transport and surrounded by a wide tourist offer.
