La Dreta de l'Eixample / Barcelona

€1,195,000

Sometimes, the hardest part isn't finding a beautiful home, but one that feels like yours even before you walk through the door. This flat in the heart of Eixample has that kind of energy. That something you can't quite explain but makes you want to host friends for dinner, grab a book on the terrace, and let Sundays stretch on.

Carefully renovated, this entresuelo of 126 m² and a 60 m² terrace becomes the perfect nest for those looking for space, comfort, and style. It features two double bedrooms with walk-in wardrobes (one en suite), a single bedroom, and a separate study — ideal for working from home or setting up a creative corner. High ceilings with Catalan vaults, original features, electric blinds... all in a 1933 building with a lift.

About La Dreta de l'Eixample

La Dreta de l'Eixample is one of the **most central areas of the city**, considered by many as the **heart of Barcelona**, with a large collection of modernist buildings. A highly sought-after area with exclusive penthouses and fabulous apartments in stately buildings. Many of the **Eixample** buildings are the work of modernist architects and retain fantastic original elements; high ceilings, mosaic tiled floors, corniced ceilings, and lots of natural light. **Avenida Diagonal, Paseo de Gracia, and Rambla Catalunya** are its select international boutiques, prestigious offices, and some of the best restaurants in Barcelona, completing the offer of this district, which is excellently connected by public transport and surrounded by a wide tourist offer.
