ROGER DE LLURIA / EIXAMPLE

La Dreta de l'Eixample / Barcelona

€5,500

This little flat feels like a blank canvas inviting you to create and let your imagination run free.
I felt like an artist the moment I saw it… but I wouldn't even know which color to start painting with, because it has so many possibilities that any of them would be wonderful.

In a prestigious building, this fully renovated, brand-new apartment is ready to start new chapters with whoever decides to live in it.
Located on the fifth floor, natural light takes center stage from the very first moment: clean, generous, and warming every corner with its own special glow.

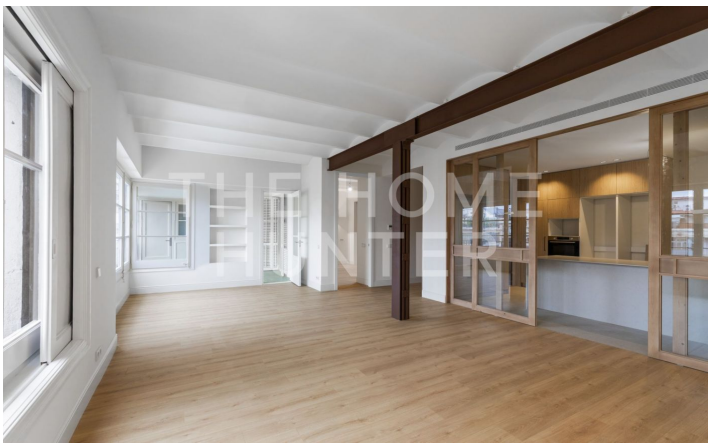

The heart of the home is the living-dining room, inviting long conversations and moments that, without noticing, become both daily and memorable.
The semi-open kitchen is perfectly integrated for those who enjoy the art of cooking without losing touch with what's happening around them.

Three double bedrooms offer the perfect balance of space, calm, and privacy. Two full bathrooms provide comfort. There is also a small area designed as a home office, making working from home as pleasant as it is efficient.

The sunny 10 m² terrace is this home's little great treasure! Just enough space to breathe, enjoy your morning coffee, or end the day letting the sun set while you watch. Additionally, the building has an elevator, concierge service, and all modern comforts, including ducted heating and cooling, and a laundry area.
