Poble Nou / Barcelona

€2,300

I've dreamed so many times of a loft with windows like these... It's just wonderful. So much light, so much sun, the views, the sky... And all of it right there, in one open, beautiful, and welcoming space.

This 144m² (including common areas) studio-space is a penthouse with a 37m² terrace. It features a living-dining room, an open and fully equipped kitchen, two double bedrooms, a full bathroom, and built-in wardrobes. It comes with double-glazed Climalit windows and air conditioning (hot/cold). The building, dating from 1970, has an elevator and a concierge. Price + expenses (property tax and community fees). The price index does not apply because the property does not have a certificate of occupancy.
