Sagrada Família / Barcelona

€775,000

I'm excited when we get renders... Because this nest was already promising only when we knew its location, super close to Diagonal and the Sagrada Família, in the heart of Eixample. And, now, looking at the future, we like it even more. You have to have a little patience, because it is still under construction, but we are dying to see it all finished and ready to welcome a new tenant.

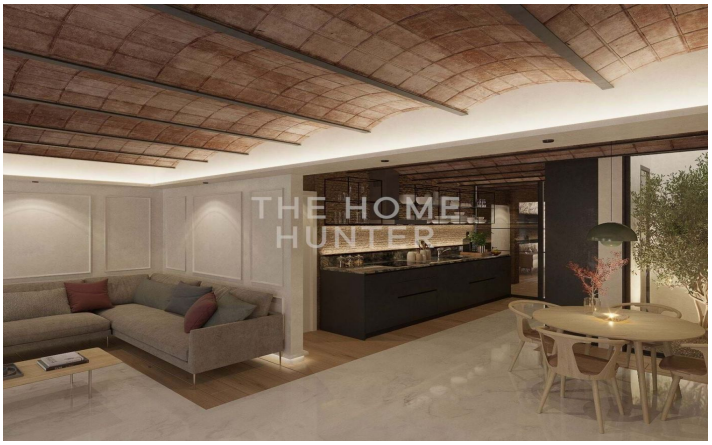

This ground floor, which is currently being renovated, will have 129m² of floor space and a patio. It will have three double bedrooms, three full bathrooms, a large living-dining room and an open kitchen. It will also have double-glazed windows, air conditioning and heating. The building dates from 1933.

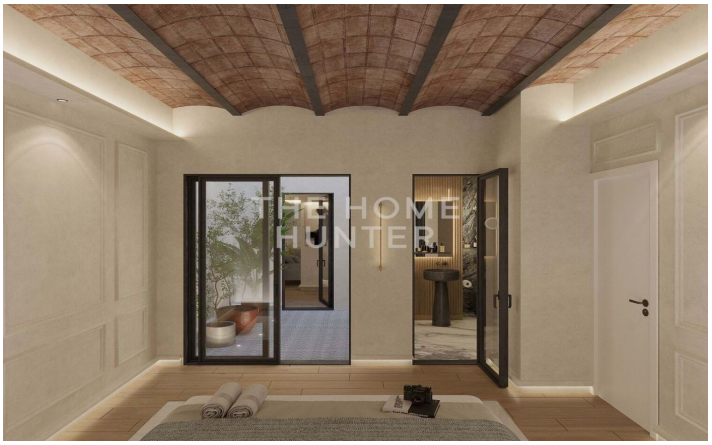

You will love it!
