What a beautiful masía! With the mountains in the background, all that greenery, and the fresh air... And this charming house, divided into three separate spaces, each with its own character. And as if that weren't enough, it has a tourist license, so the possibilities are endless.

This country masía offers 441m² of apartment (divided in two floors of 220m² each) and a 1.800m² garden with open mountain views. The property is divided into three separate living areas, with a fully equipped kitchen that opens directly onto the garden, five bedrooms, and four full bathrooms, including a guest toilet in the living room and a bathroom with access from two bedrooms. It features built-in wardrobes and a private garden with direct access to the path. The property has two different water supply systems, heating accessible via Wi-Fi, and a gas cylinder system. It includes a private indoor garage for one car and outdoor parking for up to four cars, as well as a horse stable currently used as a storage room. Dating back to the 18th century, this masía has a valid tourist license and the possibility to change its use.
