This house is absolutely magnificent. I don't think there's any other way to describe it. Such a huge space, with a garden and a pool—I would die to be here. A day in this place, surrounded by tranquility, pure nature, birds singing... And no, it's not a dream. It's a reality in this house.

This 549m² property is divided into 260m² of living space and 289m² of storage areas, covered parking, and a workspace with the option to convert it into a bedroom. It sits on an 18,394m² plot and features a spacious living-dining room with garden access, a laundry room, a utility room, a fully equipped kitchen, two double bedrooms (one with a walk-in closet), two single bedrooms, and two full bathrooms (one en suite), along with built-in wardrobes. The house includes double-glazed Climalit windows, hot/cold air conditioning, and solar panels. It also has covered parking and a swimming pool. Built in 1990.

You'll love it!
