

Can Contreras / Castelló d'Empúries

Castelló d'Empúries / Alt Empordà

€490,000

What incredible properties we're seeing from the Empordà region. This house could only be described as majestic—what a gem! It's absolutely massive, spread across three floors, with flexible spaces you can tailor to your own taste, which I absolutely love. And yes—it comes with a tourist license. This home feels endless, and it's full of advantages.

This stunning 1,011?m² property is spread over three floors. A rustic 17th-century home with a valid tourist license. The ground floor (337?m²) features a grand, period-style entrance hall, an independent apartment with its own kitchen, bathroom, and two bedrooms, a large open space ready to be defined, and an additional full bathroom. The first floor (337?m²) includes a guest entrance hall, a large central living-dining room with views of the cathedral, an eat-in kitchen with fireplace, five exterior bedrooms, and three bathrooms (two of them en suite). The second floor (337?m²), which requires updating, offers a spacious living-dining room with views and six large bedrooms. Additional features include built-in wardrobes, a 20?m² terrace with views, wooden windows, and parking for two cars. There is also the possibility of dividing the property into separate units. The house dates back to 1850.
