Cubelles

€220,000

What a pleasure it is to see a home with so much personality! One of the things I love most is walking into a place and immediately recognizing it, knowing that people will remember your apartment, that it has that unique essence that makes it truly yours.

This is a 67.5 m² apartment, of which 65 m² correspond to the living space and 5 m² to the balcony. It is located on the second floor and was renovated in 2017. The property features a double bedroom with built-in wardrobes, a full bathroom, a spacious living-dining room with a fireplace, an open kitchen, and a laundry area. It has double-glazed windows and is part of a building constructed in 1963.
