I loved this apartment from the very first moment I saw it. The colors, the light, the joy that fills the space... Visiting it felt like reading a musical score: the rooms flowed into one another, like the notes of a symphony, creating a beautiful harmony.

It features a 58m² terrace/garden/patio, two double bedrooms with built-in wardrobes, two full bathrooms, a living-dining room with access to the terrace, an open and fully equipped kitchen, and a storage room.
