

## DS CORRO DE MUNT / FRANQUESES DEL VALLES

Franqueses del Vallès, Les

€680,000

If I had to describe this house in one word, it would be: Soul. And even though I can think of a thousand ideas to redesign my kitchen from scratch, I'm sure the house would still preserve its essence.

Built in 1955, this 539m<sup>2</sup> house sits on a spectacular plot of more than 7 hectares of land and retains the charm of period homes, with spacious rooms, high ceilings, and a layout that invites you to imagine a renovation with your own style.

It features four double bedrooms with built-in wardrobes, three full bathrooms, and a large living-dining room with direct access to the garden—ideal for enjoying the natural light, the views, and the fresh air offered by the surroundings.

The kitchen, which can be kept independent or opened to the living room, along with the laundry room, is not only spacious but also functional. In addition, it has air conditioning and electric heating.

This is a unique property, full of character and soul, perfect for those with imagination who want to transform a house with history into a custom home, surrounded by nature, silence, and above all, plenty of space.
