

Santa Cristina D'Aro / Girona

Girona / Gironès

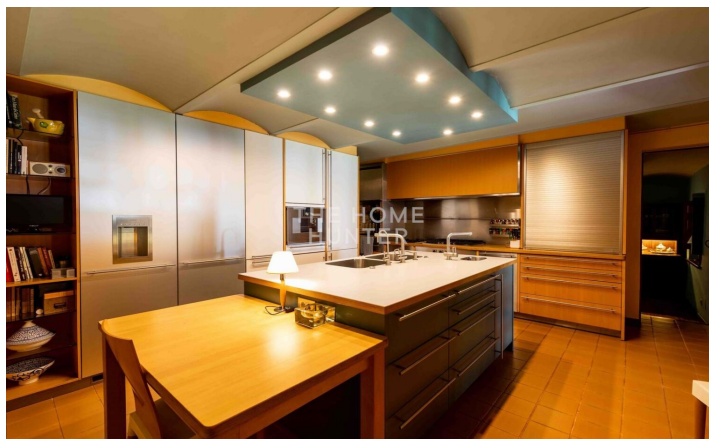

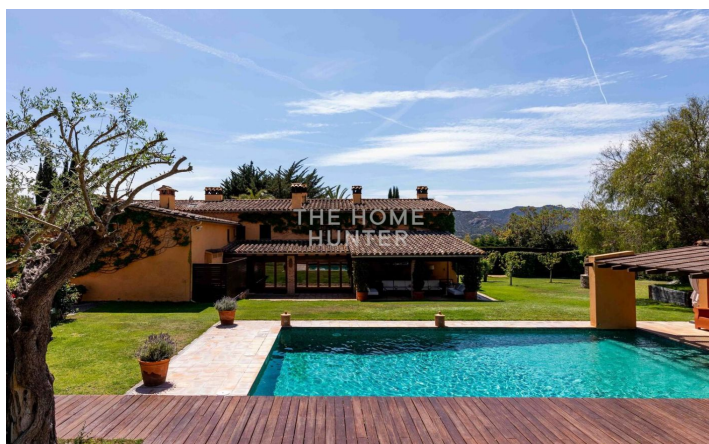

€2,950,000

I love when I get the opportunity to visit a house. Take the car and take a short half-day excursion and, this time, close to the beach. When I stepped foot in the house, I felt like I was in a movie, with the carpets, the exposed beams, the wooden windows... It was like a dream, suddenly I was living in another era in another totally different life. I just wanted to go out into the huge garden and run. I wish I could have stayed there all day...

This property has 669m² built on a plot of 4,048m². The house has fourteen rooms, seven bedrooms, six bathrooms, equipped kitchen, main living room with fireplace, garden and saltwater pool. The property is divided into a ground floor with a TV room, kitchen, wine cellar, office, guest toilet and master bedroom with bathroom and 45m² dressing room. On the upper floor there are six bedrooms, three of them with an en-suite bathroom. The house also has heating with cast iron radiators, solar panels, water softener, controlled sprinkler irrigation system and alarm system. It has 5 parking spaces available.

You will love it!
