

SAN BERNARDO / MALASAÑA

Madrid / Madrid Ciudad

€950,000

Those afternoons that stretch in the living room watching a movie with the fireplace on, and that calm that surrounds you every day the moment you enter a place that radiates so much warmth.

It's one of the feelings this apartment gives me.

In an 1890 building with an elevator, this exterior 116 m² apartment combines history and comfort with a contemporary touch. It has two double bedrooms (one with a walk-in closet and en suite bathroom), two full bathrooms, and a living-dining room with a fireplace, perfect for staying warm now that winter is coming. It also features a fully equipped modern open kitchen.

With four balconies, west-facing orientation, and details that make a difference such as built-in wardrobes, hot/cold air conditioning, individual heating, and a storage room, it's a home full of light, character, and warmth.
