Doctor Espina / Carabanchel

Madrid / Madrid Ciudad

€490,000

This apartment has a lot of history, as it used to be the old Oporto glassworks. Its current owner told us that, as a child, he used to spend hours playing there with his friends. It's amazing the stories apartments can hold, all the things they hide. In this case, a story full of warmth, tradition, and familiarity.

This loft-style duplex apartment has 127m² of built area (54m² on the upper floor and 64m² on the lower floor). It features a double bedroom with a walk-in closet, two full bathrooms, a spacious living-dining room, an open-plan kitchen with an island (equipped and with Dekton countertops), a pantry, and a reading room and/or office. The apartment has pre-installed air conditioning, motorized and automated blinds, natural gas heating, and large tilt-and-turn triple-glazed windows. It faces east/west, has microcement flooring, iron carpentry, and a handmade staircase. It also includes a security door and two independent entrances. The property was renovated in 2020. The building dates back to 1965.
