BERENISA / ARAVACA

Aravaca / Madrid

€450,000

There are homes that already have everything, and others that have everything yet to be told.
And I believe this apartment could only be for lovers of real spaces.

A home with soul and many possibilities. With 93 m² built and on a first-floor exterior, this apartment stands out for its spaciousness and classic layout. The property has a separate kitchen, three well-sized double bedrooms, and one full bathroom. Natural gas heating provides comfort throughout the year.

Located in a 1960 building, without an elevator, this property is an excellent opportunity both to update to your taste and to invest in a well-established area. An apartment with a solid structure, generous square meters, and the potential to become a home full of personality.
