Bellas Vistas / Madrid

€1,300

There are homes that don’t need to be perfect to be special.

They just need someone who knows how to see them.

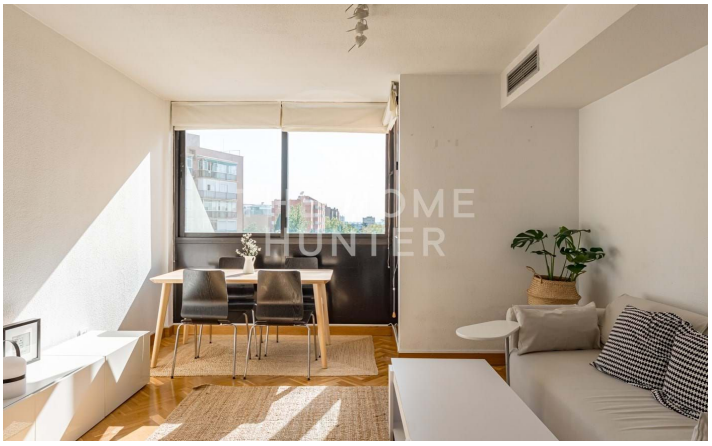

Having a swimming pool in your community is everyone’s summer dream, even more so in a city like Madrid. But of course, it’s not everything. Sooner or later, we leave behind the months of leisure and heat and dive back into the whirlwind of daily life. That’s why it’s important for interiors to breathe tranquility and calm. When a charming interior and an exterior with a swimming pool come together in the same home, we are facing an opportunity that cannot be missed. And in this case, we have yet another advantage: the property is located just 50 meters from the Francos Rodríguez metro station.

This fourth-floor apartment near Dehesa de la Villa has 57 built square meters, distributed into one double bedroom with built-in wardrobes, one bathroom with a bathtub, a spacious living-dining room, and an open, fully equipped kitchen. It has plenty of natural light and is also right next to the metro. It is rented furnished and has air conditioning and central heating.
