CABESTREROS / EMBAJADORES

Embajadores / Madrid

€550,000

There are apartments that have it all: location, light, design, and soul.
And then there are those that, in addition, make you feel at home from the very first moment.

In a classic building from 1900, fully renovated in 2025 and with an elevator, we find this brand-new 72 m² apartment, located on a third exterior floor that enjoys pleasant natural light throughout the day.

The layout is comfortable and very well thought out. The cozy living–dining room opens onto a balcony overlooking the street, creating a perfect space for everyday living. The kitchen is independent, modern, and functional, featuring a central island and fully equipped, ideal both for cooking and sharing moments. It offers a quiet and well-proportioned double bedroom en suite, with built-in wardrobes and a full bathroom.

For added comfort, the property also features ducted hot/cold air conditioning.
