

Ave María / Lavapiés

Embajadores / Madrid

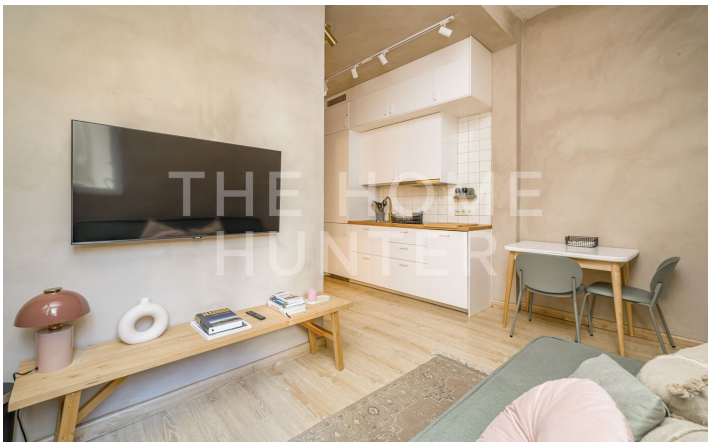

€330,000

Something I really liked about this apartment is that it feels super modern, with a very chic touch, yet it still keeps that essence of “home.” That can sometimes be hard to achieve, but it’s amazing how well it’s done here. A place that, for a few months, will become home.

This temporary rental (6 to 11 months) has 40m² of built space and is on the second floor. It has a living-dining area, an open and equipped kitchen, one double bedroom, a full bathroom, and built-in wardrobes. It has air conditioning and heating. The building dates back to 1900 and has an elevator.
