ALQ. MAD Humilladero / La Latina

Seguramente muchos habréis pensado lo mismo que yo al leer el nombre de esta calle, me sorprende porque a pesar de que conozco mucho Madrid hay nombres que aún no me pasan por alto, este me ha chocado tanto que he ido directa a Google a ver que me contaba y decía que el nombre hacía referencia a un acto religioso y no de humillación en sí. De todas formas me fascina la historia así que por favor, si alguien sabe más acerca de esta calle que nos cuente, que nos cuente todo que nos encanta!

¡Os encantará!
