

MAS DE MONTOBRA / OLIVELLA

Olivella

€530,000

You may not be looking for a house, but perhaps you are looking for what I bring you today...

Places that smell of eternal summer, calm, and a life without hurry.

This detached house, built in 2000, is one of those homes to be enjoyed slowly, where the pace slows down and life happens both inside and outside. The house has 135 m² built on a 427 m² plot and from the very first moment it conveys light, comfort, and that feeling of home that cannot be explained.

On the ground floor, we are welcomed by a living-dining room with a fireplace for cold days and direct access to the balcony, allowing the outdoors to become part of everyday life. The kitchen naturally connects with all the more social spaces of the house. This floor is completed with a double bedroom and a full bathroom, ideal for guests.

On the upper floor, there is a large triple bedroom with access to a private terrace, perfect for sunbathing or simply watching the sky without hurry.

The exterior is one of the greatest advantages of this property.

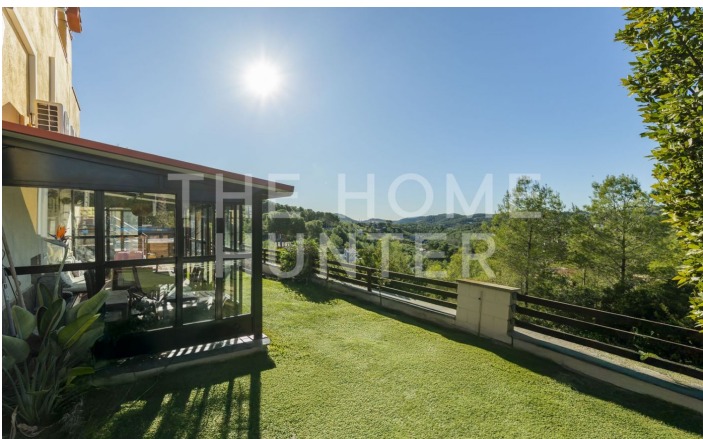

The garden surrounds the house, creating a calm environment; the pool invites long summers, and the jacuzzi turns any afternoon into a small luxury. The glazed gallery makes the spaces feel larger, while the chill-out area invites long meals or gatherings with friends.

Additionally, for more convenience, the property has an independent laundry room, storage room, air conditioning, radiator heating, fireplace, shutters, and a driveway.
