Porreres

€2,200,000

In the south of the island, this impressive two-storey house rises with all possible comforts. A swimming pool, panoramic terrace, chill-out barbecue area, five bedrooms, and even a wine cellar and an orchard with lemon and orange trees. I would love to spend some time here.

The estate, built in 2003, has a total of 15,000 m² (of which 721 m² correspond to the house, 114 m² to the pool, and 29,165 m² to the plot). The house, distributed over two floors, features five double bedrooms with fitted wardrobes and four full en-suite bathrooms. It offers a spacious living-dining room with direct access to the garden, an independent kitchen, a laundry room, and a wine cellar. The property is equipped with air conditioning and underfloor heating, ensuring year-round comfort. Outside, there is a swimming pool with a panoramic terrace, a chill-out area with barbecue, and an orchard with lemon and orange trees, as well as its own well.
