Rubí

€229,900

This apartment in Rubí is very close to Barcelona, and what a coincidence! We recently sold the neighboring apartment to the one I'm showing you today!

It's a duplex, also located in a very quiet building, one of those homes that radiates calm. I'm sure it will give you the same feeling.

It is a 52 m² duplex (50 m² of living space and 14 m² of terrace) located on the third and top floor of the building. The home features a spacious living-dining room with access to the balcony, an open and equipped kitchen, a double bedroom, and a full bathroom. It also has a private 14 m² terrace with mountain views, air conditioning (hot/cold), and an automated lift providing access to the garage. The property includes a parking space in the same building, ideal for a medium-sized car, built in 2008, with elevator access to the apartments and a storage roo
