In Rubí, just outside Barcelona, you'll find this duplex located in a quiet building. It's one of those homes that radiates calm, where you know you'll be able to enjoy peace and tranquility. I loved it, and I'm sure you'll feel the same way.

This duplex has a total of 78 sqm (67 sqm of living space and 8 sqm of terrace) and is located on the third and top floor of the building. The property features a spacious living-dining room with access to a terrace, an open and fully equipped kitchen renovated in 2024, two double bedrooms—one of them with a terrace—and a full bathroom. It also offers built-in wardrobes, double-glazed windows (including one Velux type), and hot/cold air conditioning. A parking space in the same building is included.
