Sant Andreu de Llavaneres / Maresme

€837,000

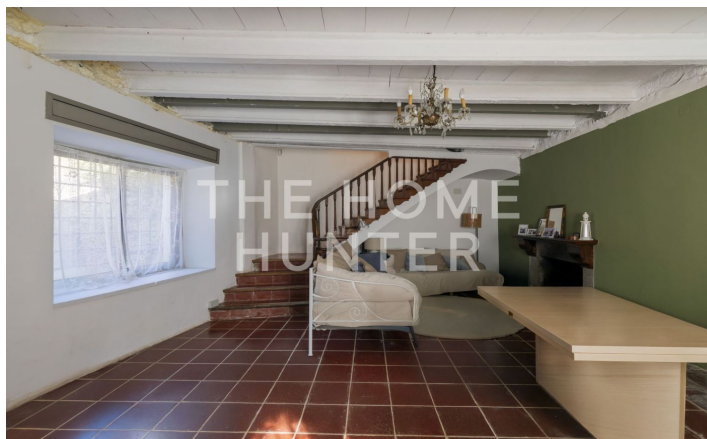

I've been dying to show you this farmhouse for days! It's absolutely gorgeous—partially renovated, full of space, and bathed in beautiful natural light. And the outdoor area, my favorite part, features a large garden, a porch, and a pool that makes summer days even more tempting.

This iconic home, once the residence of the Count of Caralt, offers 568?m² built and 402?m² of usable space on a 2,147?m² plot. It's spread over two floors. On the ground floor, you'll find two spacious 35?m² living-dining rooms with fireplaces (one opening onto the garden), a 50?m² independent kitchen with a 90?m² patio, an original wine cellar next to the kitchen, one full bathroom, views of the garden, and a 16?m² double bedroom. Upstairs, there are three full bathrooms (one en suite), seven double bedrooms, and built-in wardrobes. The house also features natural gas heating, a swimming pool, a garden, a well, storage space, and parking. Built in 1930 and partially renovated, this is a property full of charm and history, with endless potential.
