WOW!

Can't you see that every detail of this hotel is designed to captivate? From the rustic and elegant architecture to the breathtaking views.

Every corner of this estate invites me to experience something unique.

I know! I'm amazed by this hotel too!

This farmhouse, spread over three floors with 2,400 m² of built area and a 350,000 m² plot, features 13 bedrooms and 16 bathrooms. On the ground floor, you'll find the kitchen, dining/restaurant area, a large wine cellar, and a private lounge with spectacular views. On the first floor, you can admire a beautiful piano lounge next to the reception, two suites with full bathrooms, plus two additional toilets on the floor. There's also an office, the machine room, and seven bedrooms, all with a spacious terrace to enjoy the views. Finally, on the second and top floor, there's another spacious living area along with three bedrooms and two more bathrooms.

But let's not forget the full range of amenities this hotel offers. In addition to air conditioning and gas heating, you can continue your fitness routine in the gym and then relax in the massage room. Or, if you prefer to cool off before lunch, there's also a swimming pool with spectacular mountain views.
