€1,850,000

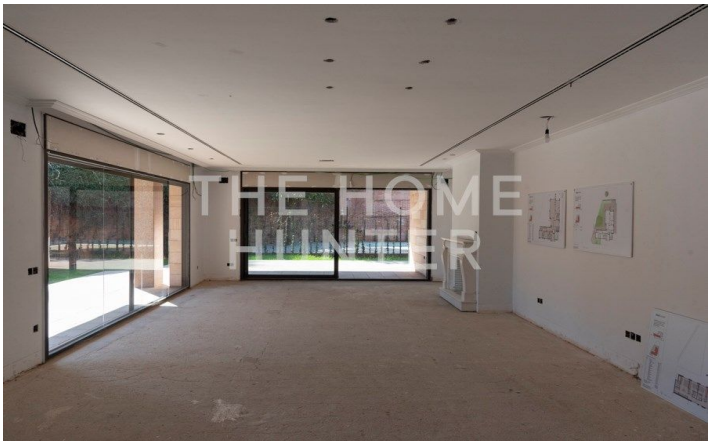

Some of you have been asking us for homes outside of Barcelona for days, but without going too far. We have received some properties in this beautiful area of Sant Cugat and there is something for everyone. The options are many, the apartment can be delivered completely renovated or there is also the possibility that the renovation will be at your expense in case you want to give it a more personalized touch. The needs of each moment will make you move forward based on your priorities, we leave it in your hands.

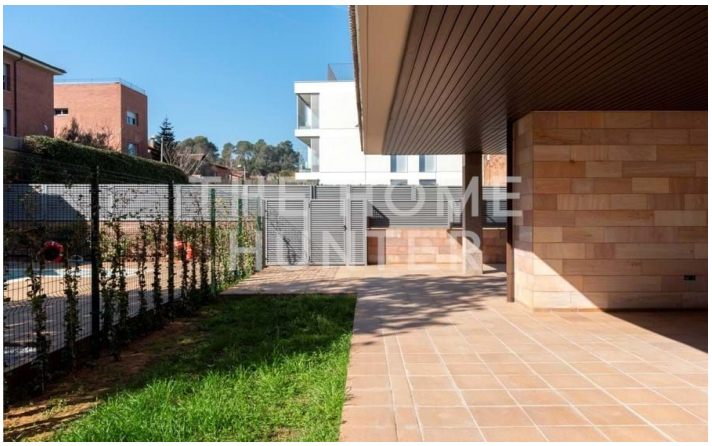

Among these options there are various properties, a huge ground floor with a private garden to run and run, a first floor that is also very spacious with a terrace of almost 100m² and finally a small house with infinite possibilities. The community area is a delight, it has a swimming pool and lots of green area. Do not hesitate to contact us to request any type of information!

You will love it!
