Sant Vicenç de Montalt / Maresme

€1,220,000

Sometimes when I see houses this big, I think they'd be perfect for summer, but I don't think beyond that. But that didn't happen here, because this is a space that's perfect for any day of the year. It has that summer joy, but also the calm of autumn and the coziness of winter. A true home in every sense.

359 m² built on a 2,014 m² plot. Main floor with living-dining room with fireplace and garden, fully equipped independent kitchen, and a full bathroom. Upper floor with 4 double bedrooms (2 with garden access) and 2 full bathrooms. Lower floor with multipurpose room with garden and independent entrance, guest toilet, and garage. Diesel radiator heating, built-in wardrobes, double-glazed windows, ceiling fans in all rooms, and sea views.
