Santa Coloma de Farners / La Selva

€430,000

Just about to start the Easter holidays... and I can't wait! There's nothing like enjoying the peace of your own home. In this little house, surrounded by nature and set in an incredibly peaceful location, I picture the days drifting by slowly, with no rush at all—making spontaneous plans and doing whatever you feel like.

This 171m² (total built area) home features 151m² of living space and a 20m² terrace. Set on a 456m² plot, the main floor includes a spacious living-dining room with access to the terrace, an eat-in kitchen with direct access to the garden, three bedrooms (two doubles), one single room, two full bathrooms (one en suite), and built-in wardrobes. On the upper floor, there's a charming open loft-style room. The house is surrounded by a terrace and garden, and also includes a barbecue area, double-glazed Climalit windows, hot/cold air conditioning, gas radiator heating, and parking space for two cars. Built in the year 2000.
