This apartment is spectacular—there's no other way to describe it. It has everything: spacious square meters, a terrace, a garden, a shared pool... It's a home made for enjoying life, for seeing the little details as big things, for being grateful every minute of the day.

This apartment has a total built area of 263 m² (203 m² of living space and 120 m² of garden) and is spread over three floors. On the first floor, there is a spacious living-dining room with a terrace, an independent kitchen, laundry room, storage room, and a guest toilet. On the second floor, there are two double bedrooms, two single bedrooms, built-in wardrobes, and two bathrooms (one en suite). The third floor features a solarium. The basement includes three parking spaces and a storage room. The apartment has double-glazed windows, air conditioning, gas heating via radiators, and a communal swimming pool. The building was constructed in 2008.

About us

The Home Hunter is a real estate business with more than 10 years of experience and with the best properties in Barcelona, Madrid, Empordà and Andorra. We understand and sell with warm and transparency, offering a different, honest and close experience. Our vision has turned us into one of the territory's most recognised brands, we are the leaders on Instagram. Follow us on @thehomehunter_

We are not a typical real estate business, we want to add value to the process, accompanying our client in a complete experience, where you can buy, remodel, decorate and sell with the same people. We are much more than a real estate business. We are a committed team, made up of talented people passionate about finding homes for every story. People that do everything that is possible to help you live the way you dream to. We make the real estate business feel pleasurable and efficient.
