Living just a few steps from the beach, opening the window, and feeling the sea breeze makes every day here feel a little more relaxed.

If you're looking for a home with Mediterranean vibes, you've just found it!

Just 100 m from the beach, this ground-floor apartment is pure Mediterranean comfort. With 68.5 m², every corner is designed to enjoy life without rushing.

A living-dining room with direct access to the patio invites you to open the doors and let in the breeze coming straight from the sea. The open and equipped kitchen, the 2 bedrooms (one en suite), 2 full bathrooms, built-in wardrobes, and air conditioning (hot/cold) to keep the perfect temperature all year round, give this little apartment a functional and comfortable touch.

Its private patio is a small oasis where you can have breakfast, read, or unwind at the end of the day.

The building, constructed in 1996, has a double entrance, front and back, and retains its coastal charm while offering all modern comforts.
