

Iscler Soler / Terrassa

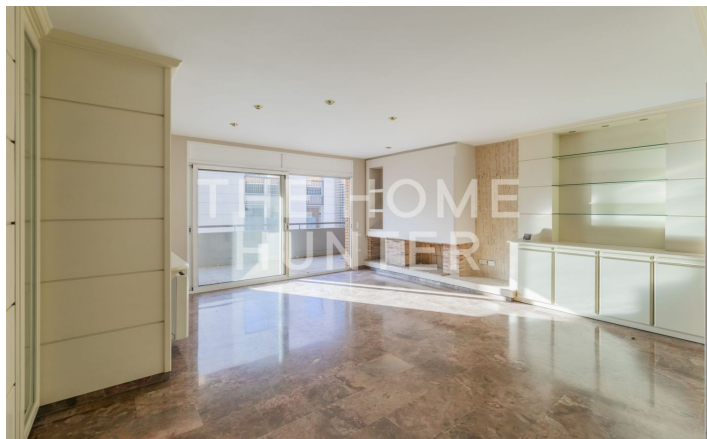

Terrassa / Vallès Occidental

€540,000

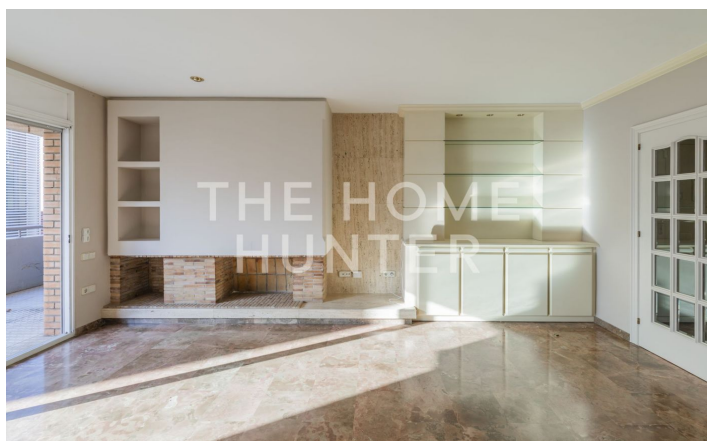

Having properties around the region is a stroke of luck. In this case, in Terrassa, it's one more step toward bringing warm, cozy homes everywhere. Here we have a duplex penthouse filled with light, space, a lovely terrace, and lots of harmony. And my favorite part — a beautiful multipurpose room that can become anything you can imagine.

This duplex penthouse measures 192m² and is located on the second and third floors. On the lower floor, there are five bedrooms (three doubles, one en-suite, and one with access to a gallery), two full bathrooms with bathtubs, a guest toilet, a spacious living-dining room with a fireplace and access to the terrace, an independent office-style kitchen, a laundry room with access to a gallery balcony, and an entrance hall. On the upper floor, there is a large multipurpose space (playroom, bedroom, or study) with access to a solarium, a guest toilet, and a storage room. The property features double-glazed windows, shutters, built-in wardrobes, air conditioning, and gas heating with radiators. Built in 1991, the building has an elevator. The apartment includes parking on the premises, which is included in the price.

You'll love it!
