€660,000

To brighten up the week, here's a stunning apartment in Tiana. A peaceful location, very close to Barcelona, where you can enjoy life at a different pace. And a home that lets you do just that—with 186m² and two terraces, it's the perfect retreat. One of those dream homes that inspire a little (healthy) envy.

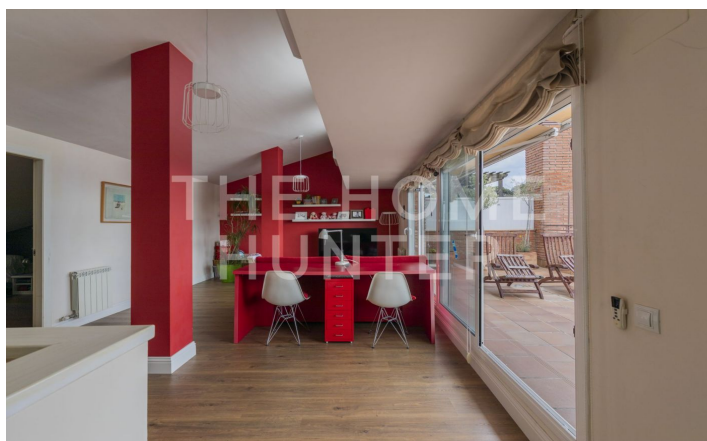

This 186m² duplex penthouse (158m² of living space plus 24m² and 32m² terraces) offers a thoughtfully designed layout. On the lower floor, it features two bedrooms (one double), two full bathrooms, a living room with terrace access, an open fully equipped kitchen, and a laundry area. The upper floor includes two double bedrooms, a study, and another full bathroom. Additional features include built-in wardrobes, a storage room, a double parking space, double-glazed Climalit windows, air conditioning, and gas heating with radiators. The building, constructed in 2004, has an elevator and a communal pool.

You'll love it!
