## About La Dreta de l'Eixample

**La Dreta de l'Eixample** is one of the **most central areas of the city**, considered by many as the **heart of Barcelona**, with a large collection of modernist buildings. A highly sought-after area with exclusive penthouses and fabulous apartments in stately buildings. Many of the **Eixample** buildings are the work of modernist architects and retain fantastic original elements; high ceilings, mosaic tiled floors, corniced ceilings, and lots of natural light. **Avenida Diagonal, Paseo de Gracia, and Rambla Catalunya** are its select international boutiques, prestigious offices, and some of the best restaurants in Barcelona, completing the offer of this district, which is excellently connected by public transport and surrounded by a wide tourist offer.
