Universidad / Madrid

€1,420,000

This apartment is as beautiful as the name of its street. It offers 180m² of coziness in the heart of Malasaña, with multiple balconies, charm, and brand-new features. I don't think much more needs to be said, as these photos speak for themselves.

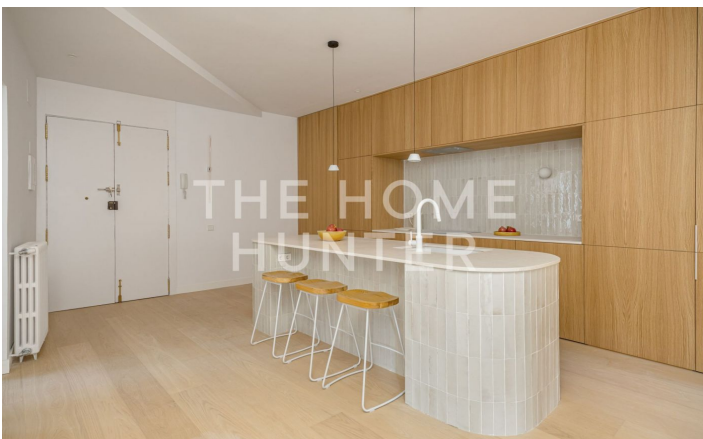

This 180m² apartment is a brand-new third-floor exterior unit. It features six balconies overlooking two streets on a corner, three double bedrooms (two with walk-in closets and en-suite bathrooms), built-in wardrobes, three bathrooms, a spacious living-dining room, and an open kitchen. It comes with air conditioning, individual gas heating, wooden floors, and high ceilings with the building's original exposed wooden structure. The building, dating back to 1900, has an elevator. The apartment also includes a storage room.
