Vallcarca i els Penitents / Barcelona

€604,000

I love when we get homes like this and, in this case, just by seeing the renders I can already imagine how beautiful these apartments will be. So bright, so modern... They are a dream. What I like most is to think that, once they are ready, they will mean the beginning of something new for their tenants. Like a breath of fresh air, these apartments are a look at the future: a space full of warmth that, little by little, becomes a home.

This apartment promotion has two and three bedrooms, one and two bathrooms and built-in wardrobes. They have air conditioning and underfloor heating, as well as pre-installation for electric vehicle chargers. There is double glazing. There are garages and storage rooms available and the building has an elevator and video intercom. They are delivered in December 2023.

You will love it!
